

Assignment

French

Class VIII

Leçon 16 page 44

1. Le passé composé (de l'indicatif)

In this lesson you will be conjugating the verbs in past tense with the help of the verb “ avoir”

To form the *passé composé* of verbs using *avoir*, conjugate *avoir* in the present tense (**j'ai, tu as, il a, nous avons, vous avez, ils ont**) and add the past participle of the verb expressing the action.

Put the words together this way: **subject + helping verb (usually *avoir*) + past participle.**

Please conjugate all the verbs given on page 44. The first verb i.e commencer has been conjugated for you in the book itself. Also the first person of each verb has been done for you in the book and the pattern has been explained to you in class.

The verbs to be conjugated are as follows:

Commencer; finir ; être ; avoir; faire; voir ; entendre; ouvrir

2. La famille Vincent

Please look up the meaning of 30 (thirty) difficult words and translate them to English.

Please divide the page into two columns and write the French words on one side and their English meaning on the other side.

3. With the help of the word meanings try to translate the lesson to English.
